Dawn is tug

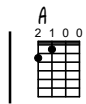

ging on your

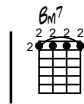

sleeve Time to

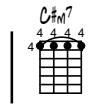

rise

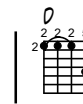

Time to smile

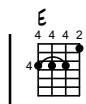

and rub the

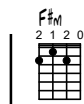

sleep From your

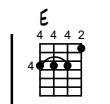

eyes

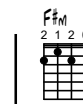

Dawn is

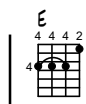

tapping on the top

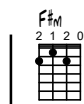

Of your

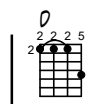

head

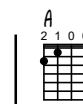

Dawn is

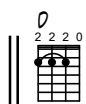

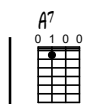

singing, time to hop

Out of

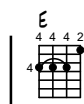

bed

Like a

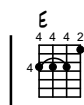

bird with rainbow

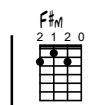

wings

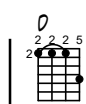

Like a

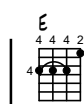

tree that sways and

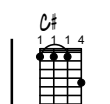

swings

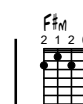

Like a

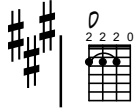

fish that slips a

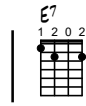

way On a

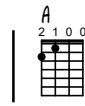

wave

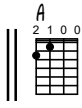

Leave your worries in the

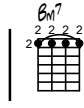

dust Dawn to

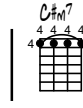

dusk

Time for

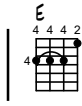

books and messy games

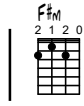

On the
