store them in

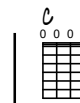

40

me like an

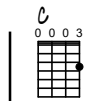

41

ice cube

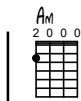

42

tray

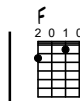

43

And

44

when I dream of

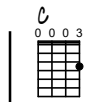

45

you

46

it's in

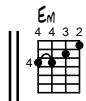

47

grey

48

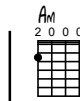

49b

Thinking of you

50

makes me

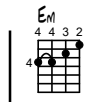

51

sigh out loud

52

It

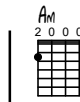

53

feels like a

54

fall through a

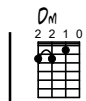

55

thunder

56

cloud

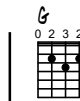

57

A maze of raindrops,

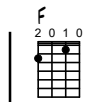

58

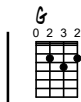

59

a blurry view

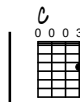

61

That's what it's

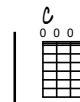

62

like when I

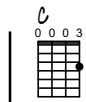

63

think of

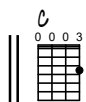

64

you

65

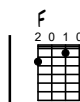

66a

Grey

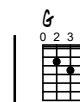

67

is the

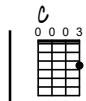

68

only

69

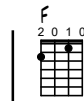

70

word

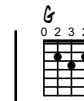

71

The

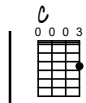

72

only

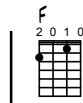

73

hope to be

74

part of your

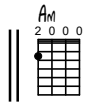

75

world

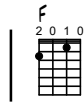

76

I'll

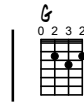

77a

give up the

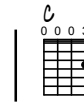

78

sun, every

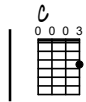

79

single

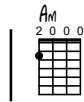

80

ray

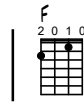

81

grey

82

Waiting for

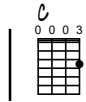

83

you to

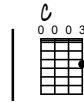

84

colour me

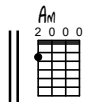

85

grey

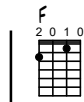

86

I'll

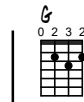

87a

give up the

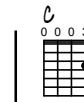

88

sun, every

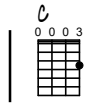

89

single

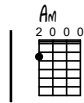

90

ray

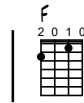

91

grey

92

Waiting for

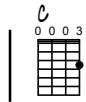

93

you to

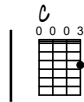

94

colour me

95

grey
