

# In my head

Tempo = 120

 1a	 2	 3	 4	 5	 6	 7	 8
So many	things are not al	lowed in my	head				
 5	 6	 7	 8	 9			
So many	things will hurt my	brain					
 9a	 10	 11	 12	 13	 14	 15	 16
Sometimes I	will let only	clouds in my	head				
 13	 14	 15	 16				
But only	those that never	rain					
 17a	 18	 19	 20	 21	 22	 23	 24
Sometimes I	like to make things	true in my	head				
 21	 22	 23	 24	 25			
And even	I will find them	strange					
 25a	 26	 27	 28	 29	 30	 31	 32
But all I	want is having	you In my	head				
 29	 30	 31	 32				
And I'm a	fraid that this won't	change					
 33b	 34	 35	 36	 37	 38	 39	 40
A fanta	sy that I let	grow In my	head				

37	38		39	40	

An ever green exotic tree

41	42		43			44	

And every thing is sweet and slow In my head

45	46	47	48	

The only way that things can be

49b	50		51			52	

A secret place that I can go In my head

53	54	55	56	

A secret place for you and me

57a	58		59			60	

I make it true with magic spells In my head

61	62	63	64		

There's not a thing that's out of bounds

65a	66		67			68	

There's you and me and nothing else in my head

69	70	71			72		

Except when I let in some clouds

73			74	75	76
