I lost all	hope and I made a spell, I threw your	love in a wishing well	In times long				
 13a	 14	 15	 16	 17	 18	 19	 20
gone	I watched it	sink as I called your name, I held my	breath but you never came In times long				
 21a	 22	 23	 24	 25	 26	 27	 28
gone In times long	gone						
 29a	 30	 31	 32	 33	 34	 35	 36
In times long gone when your love was	born A word was wrong on a page half	born In times long gone on a sweeping	wave I brought your love to my secret				
 37	 38	 39	 40	 41	 42	 43	 44
cave							
 45a	 46	 47	 48	 49	 50	 51	 52
I held it	close and I watched it bleed Your wounded love that you didn't need In times long	gone					
 53	 54	 55	 56	 57	 58	 59	 60
It stood no	chance but it was so brave Your drowning love that you didn't save In times long	gone In times long					
 61	 62	 63	 64				
gone

 33a	 34	 35	 36	 37
---	---	---	---	---

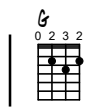

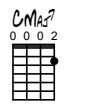

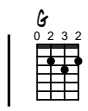

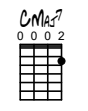

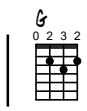

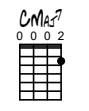

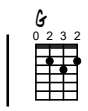

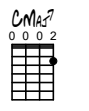

A sacred rock had a missing rune, a silent wolf heard a howling moon I sat all night by a fragile flame I kept it warm but you never

 37	 38	 38	 39

came you never came

 39a	 40	 40	 41	 41	 42	 42	 43
--	--	--	--	--	---	--	--

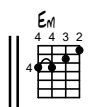

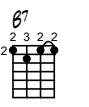

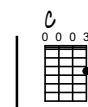

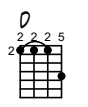

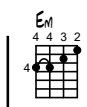

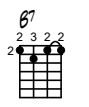

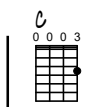

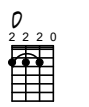

And there it was, just a coin to toss Your broken love that became my cross In times long gone

 43	 44	 44	 45	 45	 46	 46	 47
--	---	---	---	---	--	---	---

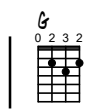

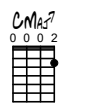

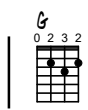

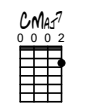

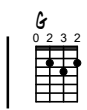

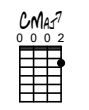

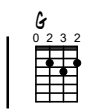

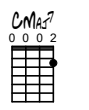

And there I was, out of magic tricks Without your love that I couldn't fix In times long gone In times long
