One day you catch a train You take a window seat

14  15  16  17 

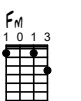

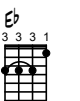

The ground is swept a way From underneath your feet

18  19  20  21 

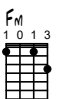

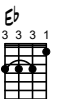

There's nothing on your mind And nothing in your hands

22  23  24  25 

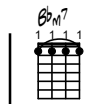

You leave it all behind Your universe expands

26a  27  28  29 

Beyond the railway tracks Beyond the Milky Way

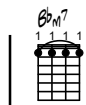

30  31  32  33 

Your destination waits

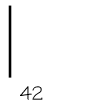

34

No need
