

Like a dice in your game

I should've

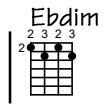

known

when to

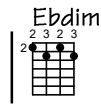

run

I should've

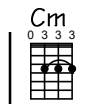

done it

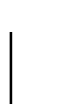

day

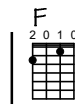

one

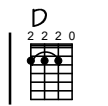

I should've

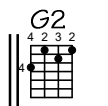

quietly

slipped

Out of bed

I should've

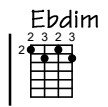

known

to re

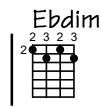

sist

But ended

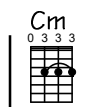

up

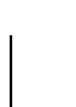

'round your

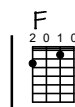

wrist

Without a

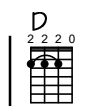

logical

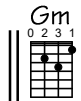

thought

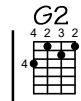

In my

I'm

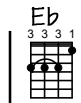

like a

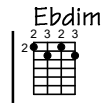

dice in your

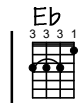

game

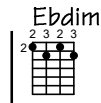

I'm

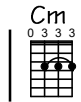

like a

moth to your

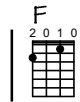

flame

I only

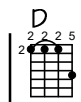

know how to

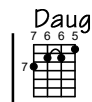

keep

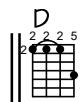

Burning

You should be

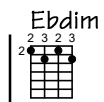

now

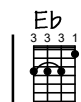

just a

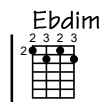

blur

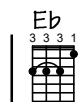

A little

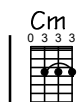

lesson

I

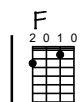

learned

I should

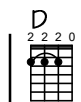

be now moving

on

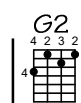

But in

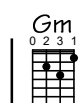

stead

I'm

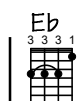

like a

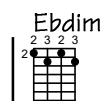

dice in your

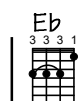

game

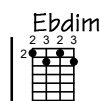

I'm

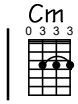

like a

moth to your

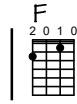

flame

I only

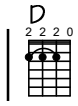

know how to

keep

Burning

up

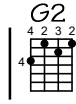

burning

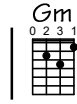

up

You

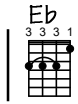

only

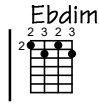

know how it

feels

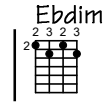

Fal

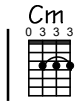

ling

head over

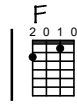

heels

In and

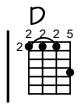

out of

love

In and out of

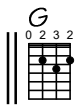

love

out of

love

93a
I should be

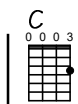

confessing

I'm

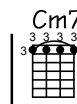

counting my blessings

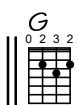

The way you made sure

It was

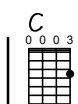

meant to be messy

So unsuspecting

I was expecting

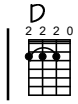

your love to stay

your love to stay

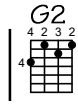

to

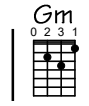

stay

But

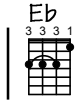

I'm a

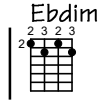

dice in your

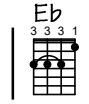

game

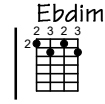

I'm

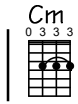

like a

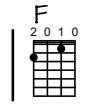

moth to your

flame

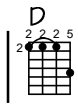

I

stop

never learn how to

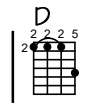

Burning

You

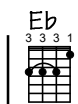

only

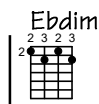

know how it

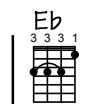

feels

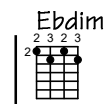

Fal

head over

In

and out of

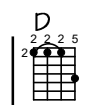

In and out of

I should've
