

# One day

Tempo = 65

1a  2  3   4  

5  6  7  8  

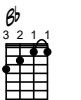

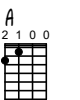

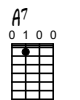

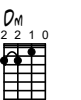

9a  10  11   12  

One day we will

meet again

On that far and

distant shore

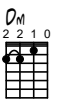

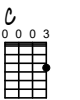

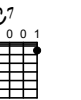

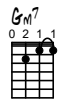

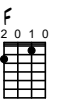

13  14  15  16  

And holding hands

understand

That no one

loved us more

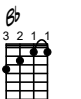

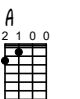

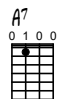

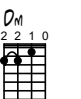

17b  18  19   20  

One day we will

meet again

After the tears

and the pains

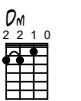

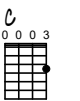

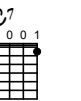

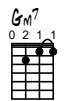

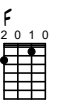

21  22  23  24  

One day we will

be as one

After the

fears and the rain

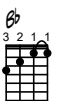

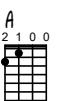

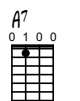

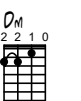

25a  26  27   28  

One day we will

meet again

After other

loves have gone

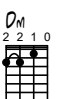

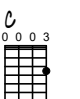

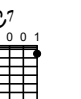

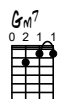

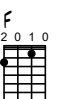

29  30  31  32  

And looking at each

other then

Will see our

love lives on
