 37	 38	 39	 40	 41	 42

Never know if you

give me your all or a

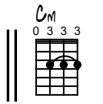

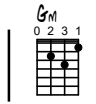

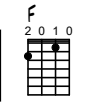

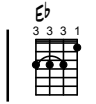

quarter

 41	 42	 43	 44	 45	 46

If your love is a

sea or a stretch of white

water

In your arms I'm a

saint

in your arms I'm a

hazard

 49	 50	 51	 52

On your tide I'll be

on your rocks I'll be

I will never be

I will never go

There are days when I

like a chain round your

But I'll keep you a

float and I won't be your

anchor

Never know if we

sail or just go through the

motions

On your tide I'll be
