

# Summer song (Who knows)

Lucy Prasad  
Philippe Perelman

Tempo = 107

# 4/4

1a

5a

The sun on top of me

White sand between my

toes

A dip into the sea

And after that, who

knows...

13a

An ice cream, maybe two

A thoughtless space up

stairs

I'll let the breeze right through

And after that, who

cares...

No

21b

end to this

summer, summer No

reason to su

ffer summer Why

stick to the

prose? Who

knows...

29a

I'll soak up all the sun

All stress will disa

ppear

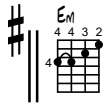

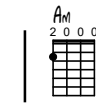

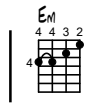

A

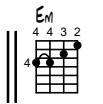

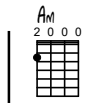

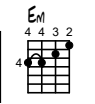

33a

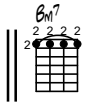

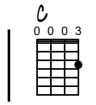

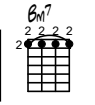

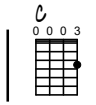

life of endless fun

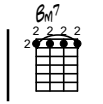

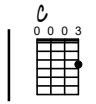

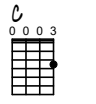

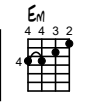

And not a single

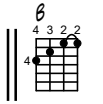

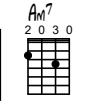

tear

				
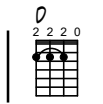

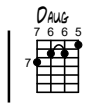

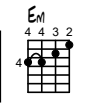

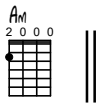

37a				
The sky will wrap me tight	The waves will pull me	close		

				
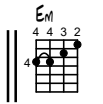

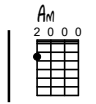

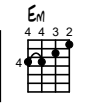

41a				
The future will be bright	And after that, who	knows...	No	

				
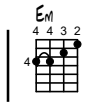

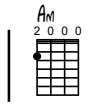

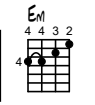

45b				
end to this	summer - summer - No	reason to suf	fer - summer Why	

				
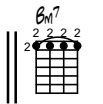

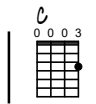

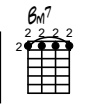

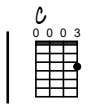

stick to the	prose? Who		knows...	

				
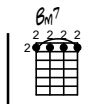

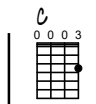

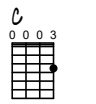

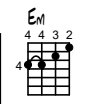

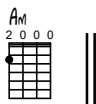

53b				
Find	the amusing	Keep	hearing music	

					
The cons or the	pros? Who		knows...		

				
61a				
The sun on top of me	White sand between my	toes		

				
A dip into the sea	And after that, who	knows...	No	

				
69b				
end to this	summer - summer - No	reason to suf	fer - summer - Why	

					
stick to the	prose? Who		knows...		

77b

85a

Who knows...

89a
